New! Just for our Pastors

Wisconsin Family Council's Church Ambassador Network (CAN) was officially "launched" at our Pastors' Day at the Capitol event in March.

The mission of this initiative is to help pastors connect with their elected officials with a view to developing authentic, redemptive relationships. Since our good God desires all to be saved and come to a knowledge of the truth, we want to facilitate pastors engaging with their elected officials one on one to communicate the love of Christ to them.

We are not asking pastors to engage legislators on political or cultural issues. We want you to connect with them on a personal level. And we will help you do that. It may be easier than you realize if you have not done this before.

As a part of CAN, we assume that you are consistently praying, publicly and privately, for all those in authority, I Timothy 2:1-4. We want to encourage you to keep it up. When we pray this way, we know we are praying in God's will and those prayers will be honored. We want everything we do to be built on the foundation of God's Word and the prayers of God's people.

We know you are busy. We will endeavor to keep our emails brief and to the point.

If 7:14

This Sunday is July 14 or 7:14. Every year on July 14, we plan to call churches to pray through the 2 Chronicles 7:14 verse. Starting at 7:14 a.m., [the free If 7:14 app](#) will have a prayer for each hour, going through the 2 Chronicles 7:14 verse piece by piece, until 7:14 p.m. Please join us in lifting up our communities, our state, our nation, and the world in prayer. Check out if714.com.

It is true that 2 Chronicles 7:14 is not a promise given to the church. But the principles in this passage are timeless. Thus we invite and encourage God's people to pray!

In Christ,

Dave Lingle
Director of Church Relations
