

I love sweet corn on the cob. I just enjoyed some last week. It was amazing. It was probably also some of the last I will have this season. Summer is ending. Harvest time is coming.

Another harvest is coming that's even more important for believers to pay attention to. Jesus tells us to "lift up your eyes, and look on the fields; for they are white already to harvest." More people need to hear and are ready to hear the gospel than we realize.

A primary focus of WFC's Church Ambassador Network is to encourage pastors to engage with their elected officials. The goal is to develop genuine, redemptive relationships with them. That starts by praying for them and knowing who they are. Do

you know your elected officials?

Here is a checklist:

The Governor of Wisconsin is:

The Lt. Governor of Wisconsin is:

The Attorney General of Wisconsin is:

My state Senator is:

My state Representative is:

My Wisconsin US Representative is:

Our Wisconsin US Senators are:

I can name the following Wisconsin Supreme Court Judges:

The mayor/manager of my city is:

My city council member/town or village supervisor is:

My County Board Supervisor is:

I'm not trying to send you on a guilt trip. I'm not trying to over-burden your work of ministry. I am encouraging you to have a gospel burden for these leaders. I'm encouraging you to personally pray for them on a regular basis and to lead your church family in praying for them regularly (I Timothy 2:1-4.).

These are all people who directly and indirectly impact your life, the lives of your church members, and issues that impact your community and our state. They need and deserve our prayers. And if they don't know they Lord, they are part of the fields that are white unto harvest.

In Christ,

Dave
