

An initiative of WISCONSIN FAMILY COUNCIL

Tuesday April 28, 2020

Dear Pastor {LastName},

Wisconsin Family Council officially launches LEAD Wisconsin!

What is LEAD Wisconsin? I'm so glad you asked!

LEAD WI is an exciting “camp” experience unlike any other for young people ages 13-19.

LEAD WI is an opportunity for young people to grow in their walk with the Lord, their understanding of His Word and His world, and of their place in it. It is leadership training in an environment that will be fun, challenging and educational.

As pastors who are concerned about reaching and impacting the next generation, we wanted to be sure you know about this opportunity so you can consider promoting it to your young people and your youth staff.

For a short video introducing the ministry of LEAD WI, please go [HERE](#).

We are **excited** about the impact LEAD WI will have on young people in our state, and we think you'll be excited, too! Feel free to show the above video in a church service or link to it in any electronic communication that you share with your church family.

LEAD WI is all about equipping the next generation of leaders with the knowledge, temperament and leadership ability that they need in every walk of life whether it is family, church, employment or government.

For complete information about LEAD WI, including dates, costs and location, please visit the LEAD WI website [HERE](#).

If you would like to get printed tri-fold brochures promoting LEAD WI, please send me an [email](#) or call our office at 888-378-7395. You can access a pdf of the brochure [HERE](#).

We hope you will let the families in your church know about this exciting opportunity and will encourage your young people to participate.

If you have questions, feel free to call the number above and ask to speak to SharaLee Nichols, WFC's Director for LEAD WI.

In Christ,

Dave Lingle
WFC Church Ambassador
