We Pray. We Go. God Works.

Dear Pastor,

Daniel and I spent some time in the Capitol week before last with a pastor friend from Madison. We were blessed with some very precious opportunities to minister.

While our primary goal for ministry in the Capitol is to pray with and minister to elected officials, we do not overlook the many men and women who serve as “staffers” in the offices of our state representatives and senators.

We stopped in probably a dozen or more offices. Several times we were able to pray with one or more staffers in those offices. In several instances, we were also able to leave a tract with a clear message of the Gospel.

But there was one visit that was clearly providential. In this particular representative’s office there is a staffer who is a believer. As it turned out, she and the pastor with us were friends who had not seen each other in some time. That reunion of sorts was special in and of itself, but this staffer has experienced the death of several close family members in the past year or so. And just two days before our visit her 45-year-old nephew had tragically died.

This staffer is a mature believer, but this was a day she needed the encouragement and support of fellow believers to come alongside and bless her with prayer and words of comfort and encouragement. And God in His providence and kindness had us there, at the right time, to help meet that need. It was a blessed and humbling experience. The presence and prayer of a pastor who was a dear friend made it all the more special.

We prayed with over half a dozen other staffers, but there was little doubt in our minds that our friend who had just lost another family member was the main reason for our presence in the Capitol on that day.

We never know how God will use us, but we do know that when we pray-and go-God works.

We look forward to you sharing in that blessing!

This week, please pray for:

Representative Jill Billings (La Crosse, AD 95)

Representative Cindi Duchow (Delafield, AD 99)

Senator Eric Wimberger (Green Bay, SD 30)
