Truth and Grace

Dear Pastor,

Have you ever gone to a conference that has reminded you of your mission of furthering the Gospel? That's how we felt this last week at a pastors' conference we attended. Throughout the conference we dealt with the issue of how the church can continue to be a witness for the Gospel in our growing anti-gospel culture.

The conference reminded us that we have to continue to highlight the truth of the gospel and God's Word in our culture. This is evident in 2 Timothy 3:16: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness." We were also reminded that with this message of truth, we must bring it alongside with the grace of Christ. Ephesians 2:5 highlights, "Even when we were dead in sins, hath he quickened us together with Christ, (by grace ye are saved;)." "

The Church Ambassador Network is bringing this message of truth and grace to the state legislature. Our aim is not political gain; but rather for a higher aim and much more important gain: that every legislator in Wisconsin may know Jesus as their Lord and Savior.

This past week we also met with legislators from both political parties where we were able to share the truth and grace of Christ. Your church has a biblical duty to pray for your elected officials (2 Timothy 2:2). We encourage you to add to put feet to these prayers by joining us in meeting with your state representative and state senator to share the gospel and to pray with them.

This week, please pray for:

Rep. Samantha Kerman (Salem)

Rep. Lee Snodgrass (Appleton)

Sen. Alberta Darling (River Hills)

In Christ,

PS: There is still time to sign up for the training seminar for the small group study called "The Engagement Project," which is the follow-up to "The Truth Project." Wisconsin Family Council has partnered with [Dr. Del Tackett](#) to bring [The Engagement Project](#) to Wisconsin. Pastors, small group leaders and anyone interested in leading a small group will want to participate in the training session that is being hosted by Wisconsin Family Council at Calvary Bible Church in Neenah, Wisconsin, on **Saturday, October 16**. Dr. Del Tackett will personally share his burden about how to use this small group study to create a practical framework for reaching our neighbors and communities with the Gospel. You can get more details and register [HERE](#).

PPS: WFC is launching a series of grassroots training sessions. These **Going Local: Making Communities Great Again events** will provide insight and strategy to effectively counter the extreme and absurd policies we are seeing in our communities such as Critical Race Theory, transgender policies that negatively impact our children, and unconstitutional mandates that violate our basic freedoms. More details and registration for all four of these events is located [HERE](#). The first one is this **Thursday, September 30 at the Machine Shed in Appleton**. There's still time to register and a few spots left--but not many!
