Thank You

Dear Pastor,

This week I wanted to take a break from highlighting our ministry and instead use this week's email as a way to thank you for all that you do as a local church pastor.

We know that ministry isn't always easy, and we are thankful for your labor to shepherd the flock that God has called you to serve. Almost every pastor we speak with has told us about struggles their church has had to go through with COVID these past two years. We know this can be a burden for you, and we want to thank you for your faithful service to Christ's church during this time. At Wisconsin Family Council, we strongly believe in and support the ministry of the local church. God's main plan to reach people with the gospel is through the local church and that is why as a parachurch ministry we work so hard to connect with local church ministries throughout the state.

Our ministry at the Capitol through the Church Ambassador Network couldn't happen without pastors like yourself joining us to build a redemptive relationship with your elected officials. Thank you for equipping your people on issues such as marriage, family, life, and religious freedom. If there is every anything we can do to help you, please let us know.

Thank you for your faithful ministry that is fulfilling the Great Commission in your local church, community, and throughout the state of Wisconsin.

We pray you have a great Thanksgiving week with your family and church!

This week, please pray for:

Representative Jeffery Mursau (Crivitz)
Representative Mark Born (Beaver Dam)
Senator Jeff Smith (Eau Claire)
