**Webinar with Dr. Wayne Grudem on Wednesday, October 26**

Dear Pastor,

On Wednesday, October 26<sup>th</sup>, we will host one of our WFC "Lunch with a Purpose" webinars. This webinar will feature Dr. Wayne Grudem, well-known author and speaker. We have invited him to address the issue of *Politics According to the Bible*, which is also the title of one of his books.

Our hope and goal is to bring some biblical clarity and thinking to a topic that is a challenging one, especially for pastors and other ministry leaders. We think this topic is timely since we have a major election coming up on November 8.

We believe there are many good reasons for pastors to encourage their people to be involved in the upcoming election. Whether you agree or not, we hope you will sign up for this webinar and carefully consider what Dr. Grudem has to say about politics in general and elections in particular and their intersection with God's Word.

You can [register here](#) for the webinar.

The webinar will begin at noon and go to 1 p.m. This is an excellent time to grab lunch and enjoy the webinar at the same time. There will be some time at the end for participants to submit questions for Dr. Grudem.

We are thankful Dr. Grudem was able to carve out some time to join us for this webinar, and, as always, we are thankful for you and your faithful Gospel ministry. We pray this "Lunch with a Purpose" will be both encouraging and edifying for you.

Thank you for your faithful ministry.

**Dan Degner**

PS: The lead article in our September *Church Connection* was titled "The War on Children Is Real." To be honest, I (Dave) wrestled a little with that title, wondering if it was too provocative; but in the end concluded that it was stating a reality supported by the facts. I wasn't looking for further confirmation of attack on children, but [this article](#) by Dr. Al Mohler, published in *World Opinions* on Monday, October 17, certainly adds an exclamation point to what we said in that issue of WFC's *Church Connection*. We hope you will read [this article](#) and prayerfully consider how you should be addressing this with your church family. (A helpful earlier "Lunch with a Purpose" webinar on the transgender issue with Dr. Andrew T. Walker, is available [here](#).)

PPS: **Our last two community events for this year** are soon upon us—this week in Oshkosh and next week in La Crosse. If you live in or near one of these cities, we hope you will join us; and we invite you to remind your church family about them. Get details and register [here](#).
