Election Day 2022

Dear Pastor,

Today's the day. We're finally here for election day. If you're like me, you'll be glad when we move on past this election season. Today I want to highlight two quick things.

Honor God Initiative - Pastor, thank you for encouraging your church family to honor God with their vote. This year we contacted every evangelical church we're aware of in Wisconsin--1900 of them--to offer Christ-centered, non-partisan resources through our Honor God Election Toolkit. We are grateful for the response and truly hope the resources were helpful to you and those to whom you minister.

As a follow-up to this effort, If you could **please fill out this short three-minute survey**, you'd be a great help as we consider future initiatives. You can also win a 2-day stay at Green Lake Conference Center or a \$400 scholarship for our LEAD Wisconsin Camp for a youth in your church. Also, if you haven't voted yet, please do so before polls close at 8 p.m.

We will minister to whoever wins- A core value of WFC's Church Ambassador Network is that we are non-partisan. We will seek to minister to whoever wins regardless of political affiliation. Romans 13:1b teaches that "the powers that be are ordained of God." As Americans, we have a say in determining our governing authorities through the ballot box; however, God is ultimately sovereign over who will serve. That is why we will live out the call to minister to whomever the victor is in tonight's elections with no respect to the office or the party the winners represent. My prayer is that you would join us at the Capitol at least once in 2023 for the advancement of the gospel as we minister to these government authorities that God has ordained.

Thank you again for partnering with us to encourage Christians throughout Wisconsin to live out their faith by honoring God with their vote.

For His Glory,
