Merry Christmas

Dear Pastor,

Merry Christmas! We pray that you and your family will have a blessed Christmas this Sunday. We pray that this Christmas weekend, God would use your church to reach those in your community for the Gospel of Jesus Christ.

WFC's Nativity Scene at the State Capitol

with a member of Wisconsin's Executive branch. Please, join us in prayer that this opportunity will help us open the door to the Governor's office.

Our partnerships are non-partisan and non-political in nature. For example, in this upcoming legislative session we are working to introduce churches with mental health outreaches to the chairman of the mental health committee in the State Assembly. Other ministry areas we would like to partner in are foster care prevention, addictions, pregnancy help, and others.

We would love to have you join us at the Capitol this January to make an impact for the Gospel. We will be there every Tuesday through Thursday to share the gospel and build redemptive relationships with your governing authorities. You can sign up to join us [HERE](#).
