Forming New Government

Dear Pastor,

Today is inauguration day at the Wisconsin State Capitol! On November 8, 2022, Wisconsinites voted for the 106th Wisconsin Legislature and the State's Executive Branch. All those elected in November start their tenure serving Wisconsin today. This legislature starting today will be in place until January 2025.

At the beginning of the last legislative session, God opened doors for Dave and me to minister to freshman legislators dealing with the stresses of the new position. Our prayer is that God would similarly use pastors like you this month to minister to your governing authorities for the advancement of the gospel. Today, we began this new session with two pastors joining Dave and me at the capitol ministering to elected officials. There is still some room for *you* to join us at the Capitol this month. You can sign up [HERE](#).

**JOIN US
AT THE
CAPITOL
AND BUILD
REDEMPTIVE
RELATIONSHIPS**

Join us in prayer for some of our session goals:

1. We can share the gospel in a meeting with the Governor.
2. 100 pastors will build a redemptive relationship with their governing authorities.
3. At least one governing authority would accept Christ as his/her Savior..

We're thankful for you and your ministry. Our prayer is that in 2023 God would use your church to reach your community for the gospel.

PS: January is Pro-Life Month. January 22 will mark the 48th anniversary of President Reagan's Sanctity of Life Proclamation. We would like to encourage your church to celebrate Sanctity of Life Sunday on January 15 or January 22. If you would like someone from our team to give an update on the pro-life movement in Wisconsin, email me at ddegner@wifamilycouncil.org.
