Ministry Update

Dear Pastor,

We've been telling you about our big Church Ambassador Network (CAN) push at the Capitol this January. We are excited to share with you some of the ways we've partnered with pastors like you to advance the gospel at the Capitol this month.

Below are just some of our highlights:

- CAN Church Ambassador Dave Lingle, led the State Assembly in prayer during a floor session and shared the gospel with all 99 members.
- Hosted 63 meetings with members in the Executive and Legislative Branches.
- We've had 15 pastors join us at the capitol. Some of the pastors have committed to coming back on a monthly or a quarterly basis.
 - One pastor has had a legislative staffer attend his church because of the relationship built through this ministry.
- We introduced two Representatives to a Pregnancy Help Center that serves women in their districts.
- 14 legislators had pastors share biblical principles on life with them.
 - Multiple legislators expressed extreme gratitude to pastors for sharing God's Word with them to help them understand what God says about life.
- Three legislators met with a juvenile justice ministry leader and Daniel, CAN Director, to learn what the Bible says regarding Criminal Justice.
 - One legislator told us this would be the best meeting he/she would have during the two-year session.

God is doing amazing things at the Capitol. We would love to have you join us at some point in February. We'll be back in the Capitol on February 2, 7, 14, 16, and 28. You can sign up [HERE](#) to be part of this exciting, difference-making gospel ministry.

In Christ,

Dan Degner

Director, WFC Church

P.S. Wisconsin Family Council is hosting our first "Lunch with a Purpose" for 2023 on February 15 at noon. Our special guest is Katy Faust, the founder, and director of the children's rights organization, Them Before Us. Katy's organization focuses on the best interest of children from a biblical worldview on issues such as marriage and family, along with the transgender push. You can sign up to join us via ZOOM [HERE](#).
