Practical, Helpful, and Free Resources for You

Dear Pastor,

We have had some wonderful ministry opportunities with pastors at the Capitol last and in the early days of this month. We think it is safe to say that every pastor who has joined us for this outreach ministry has been blessed, encouraged, and excited about the opportunity. Call me (Dave) or Dan if you would like to get scheduled for a date to join us in this ministry. (Pictured below left to right are WFC CAN Church Ambassador Dave Lingle, Pastor Scott Kaczorowski from River Cities Christian Church, Assembly Representative Scott Krug from WI Rapids, and WFC CAN Director Daniel Degner.)

In January we observed Sanctity of Life Sunday. We are sure many if not most of your churches did something to promote the value of life. My (Dave's) church hosted a panel in the evening service that I thought was outstanding and worth sharing with everyone else. The panel was composed of 3 sets of adoptive parents and one set of parents who have engaged in the ministry of Safe Families. What they shared was both interesting and compelling. I encourage you to listen to their stories. Here is a link to the service: <https://www.youtube.com/watch?v=vfpq8leCqYg>.

The other resource we wanted to promote to you today is our upcoming "Lunch With A Purpose" webinar, scheduled for noon to 1 (CST) on Wednesday, February 15. Author Katy Faust will be joining us to inform and equip us in the battle for our children and grandchildren. We anticipate highlighting some of the issues she addresses in her book *Them Before Us* (2021, available [HERE](#)). It only takes a minute to register, and you can do that [HERE](#). We strongly suggest registering, even if you can't make it to the live presentation. Those who are registered will get a link to any recording we do of the program.

Finally, just a reminder that we have a primary election taking place on Tuesday, February 21 (general election is Tuesday, April 4). We will be electing a Wisconsin Supreme Court justice for a 10-year term, the longest term of office in our state--and the impact of the election will last far beyond ten years. This race is critically important for our state, but is also being recognized nationally by many as the most important election taking place in the country this year. **The balance of our supreme court is at stake.** We hope you will remind and encourage your church family to be good stewards of their citizenship and vote and to do so in a way that honors God. The decisions of the Supreme Court will impact our lives and ministries in direct and indirect ways for years to come. For information about the candidates, check out ivoterguide.com.
