## Relationships

Dear Pastor,

Have you heard the phrase, "We move at the speed of relationships?" That's a foundational statement we often use in the Church Ambassador Network. Our fourth core value is relationships. Our initiative and Wisconsin Family Council move at the speed of intentional relationships with local churches and governing authorities.

The Church Ambassador Network with the help of local church pastors provided Congressman Glenn Grothman with an Easter message in John 3.

We value and treasure your role as a local church pastor. We intentionally look for ways to be a resource for you and your church by providing things like "Lunch with a Purpose" webinars, community events, "Honor God" election materials, biblical worldview resources, and introductions to governing authorities for advancing the gospel. Our heart is to build a deeper relationship with you to enhance your ministry. Recently a pastor thanked our ministry for providing him with the foundation to build a redemptive relationship with his governing authorities.

When we are in the Capitol we also move at the speed of relationships. With help from pastors like you, Dave and I can pour into governing authorities on a consistent basis. As we are sure you have experienced, it often takes more than just one interaction for someone to be open to the Gospel or even within our churches to be open to ministry opportunities. This is the same for the Capitol. Recently, a group of pastors joined us to discuss biblical principles about criminal justice with a Representative who is not a Christian. We had an extremely fruitful discussion and were able to share the gospel with the Representative. This was only because of the relationship we have built with him over the last two years with multiple pastors who have lovingly shared Christ and prayed with him.

In the Capitol, the gospel advances as relationships advance. We'd love to continue our relationship with you and help you build relationships with your governing authorities. Please let me know if you'd like to join us in the Capitol this month to share the greatest relationship anyone can have—a relationship with Jesus Christ.

In Christ,

P.S. We're still looking for pastors to join us at the Capitol next Wednesday (4/26) and Thursday (4/27). You can sign up [HERE](#) to join us. If you can't come, please pray for our meetings next Wednesday. We will share John 3 with a legislator who is soft to the gospel and equip another to share the gospel with her staff.

P.P.S. Please join us for Wisconsin Family Council's "Lunch with a Purpose" noon webinar on Monday, May 8, featuring WFC President Julaine Appling and Family Research Council President Tony Perkins. May 8, 2023, marks the one-year anniversary since our office was firebombed because of the leaked *Dobbs* opinion. Join us to hear how God has used this attack for His glory and to get updates on the pro-life movement. You can sign up for the webinar [HERE](#).

P.P.P.S. This week please join us in praying for the following elected officials: Representative Robert Brooks (Saukville), Congressman Mark Pocan (Madison), Representative Shelia Stubbs (Madison).
