## Election Day

Dear Pastor,

The polls are currently open for Wisconsin's 2023 Spring non-partisan general election. Thank you for inspiring your church to bring glory to God through their vote. We were overwhelmed this Spring by the support we received from churches like yours around Wisconsin—churches that stood up to encourage their congregation to honor God with their vote.

Many believe this election will be razor-thin close. If you haven't voted yet, we encourage you to do so before polls close at 8 p.m.

We will seek to minister to all those God places in authority over us. So far this year we have had 110 meetings with governing authorities where we have been able to share the gospel, read Scripture, and pray for the governing authority. We'd love for you to join us in ministering to these elected officials. There are doors we cannot open for ministry without the help of a local-church pastor from an elected official's district.

We'll be in the Capitol on April 11, 12, 18, 26, and 27. You can sign up to join us [HERE](#).

Thank you again for all that you've done to encourage your church to Honor God this election season. We hope to have you join us in advancing Christ's Kingdom in the Capitol this month. In Christ,

P.S. [iVoterGuide](#), a Christian organization that researches candidates and shares the information with voters, this spring included our Supreme Court race, Senate District 8's special elections, and school board races in 10 districts, in their election work. The school districts are Appleton, Eau Claire, Elmbrook, Green Bay, Kenosha, Kettle Moraine, Mequon-Thiensville, Neenah, Wausau, and Wauwatosa. We hope you will find [this information](#) helpful, especially if you live in one of these school districts.

P.P.S. This week we encourage you to join us as we pray for the following elected officials: Representative **Ty Bodden (Stockbridge)**, Senator **Rachael Cabral-Guevara (Appleton)**, Representative **Robert Wittke (Racine)**.
