Are Your Families Equipped?

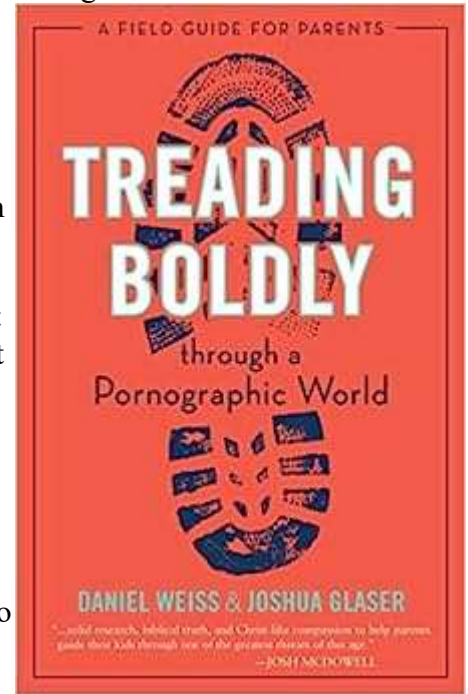

Dear Pastor,

We encourage you to join us for our “Lunch with a Purpose” webinar tomorrow featuring Daniel Weiss and Joshua Glaser. They recently wrote the book *Treading Boldly Through a Pornographic World: A Field Guide for Parents*.

Last month I (Daniel) spent time with Joshua Glaser and Daniel Weiss at the Sexual Integrity Leadership Summit. And, I guess I shouldn't be surprised that since I got back from that Summit, the issue pastors have brought to me more than any other is pornography usage within the church.

[Statistics suggest that 64% of Christian men are using pornography monthly.](#) That number is even worse for [younger \(18-24\) Christian men at 76%](#). Some assert that one of the biggest issue negatively influencing marriages and families in our churches is pornography.

With pornography being this pervasive throughout our culture and even in our churches, it is essential that, at a minimum, we equip parents with resources. We believe one of the best resources currently available Weiss and Glaser's *Treading Boldly Through a Pornographic World: A Field Guide for Parents*. If you'd like to purchase a copy you can do so [HERE](#).

We'd love to have you join us over lunch (via zoom) with Daniel Weiss and Joshua Glaser tomorrow from noon to 1 p.m. You can join us by registering [HERE](#).

In Christ,

PS: We encourage you to join us as we **pray** for our elected officials. This week we are praying for Representative Joy Goeben (Hobart), Representative Jodi Emerson (Eau Claire), and Representative Travis Tranel (Cuba City).

PPS: We will also be grateful for your prayers for LEAD Wisconsin, July 15-21. We have right at 130 campers signed up. Please pray with us that the Lord will work in these teens' hearts and lives during this week of worldview and leadership training. (To learn more about LEAD Wisconsin, click [HERE](#).) We've had a couple of cancelations; so if you know teens who might be interested in attending LEAD WI this summer, share the website with them. We do still have some financial assistance funding available.
