Happy Independence Day!

Dear Pastor,

We hope you have a great July 4! As we reflect on the freedoms we enjoy in America, let us not forget those who have paid the ultimate price to defend our liberties and those who even now are doing so.

WFC's Church Ambassador Network has continued to progress in connecting pastors to elected officials and promoting biblical values at the Capitol. So far this year, we have spiritually invested in governing authorities 194 times. We appreciate your continued prayers and support that make this possible.

Today we celebrate the ideals that founded our country. Religious liberty is a pillar of our nation's founding. Our communities thrive when local churches can freely share the Gospel. We must boldly yet graciously proclaim the Gospel, knowing that it is the power of God for salvation for everyone who believes (Romans 1:16). Praise God that our religious freedom allows us to share this Good News, even in the state Capitol, without fear of government persecution! Let us not take this liberty for granted but use it to expand God's Kingdom.

Your ministry and voice matter in these times. Elected officials have consistently told us how they are extremely thankful when pastors like you come to the Capitol to share Scripture. We pray that at some point this summer, you could encourage a governing authority in your community through Scripture and prayer. May God grant you wisdom, courage, and endurance in all you do for His Kingdom. Please know that we are here to support you in any way we can.

In Christ,

P.S. This week, we encourage you to join us in praying for Representative Robyn Vining (Wauwatosa), Representative Evan Goyke (Milwaukee), and Senator Rob Hutton (Brookfield).

P.P.S. LEAD Wisconsin Camp is less than two weeks away! Please pray for our staff and crew as we prepare for camp. Pray that our campers would be equipped with a biblical worldview to impact their communities for God's Kingdom.

P.P.P.S. Last week we hosted a 'Lunch with a Purpose' webinar featuring Joshua Glaser and Daniel Weiss, authors of *Treading Boldly through a Pornographic World: A Field guide for Parents*. This webinar and book would be a great resource for families in your church. You can watch the webinar recording [HERE](#).
