Three Institutions

Dear Pastor,

Last weekend, I (Daniel) led a trip to the [Ark Encounter](#) and [Creation Museum](#) with my local church. The trip gave us an excellent opportunity to teach young adults the importance of Genesis 1-11.

In our initial meetings with elected officials, we highlight that God has created three institutions, two of which are recorded in the opening chapters of Genesis.

- (1) Family (Genesis 2:24)
- (2) Government (Genesis 9:6)
- (3) Church (Acts 2)

Our goal in these meetings is for the governing authority to understand that they are serving an institution created by God under His sovereignty. We want them to see that God is also the author and sovereign over the institutions of the family and church. We share our vision that Wisconsin will thrive as these three institutions work together to bring God glory.

Last weekend as our church group walked through the Ark Encounter and Creation Museum, we highlighted God's goodness in giving us His institutions.

As we head back to the Capitol later in August and September, we would love to have you join us in Madison to show Wisconsin's leaders the power and impact the institution of the church can have in strengthening Wisconsin.

P.S. This week, we encourage you to join us by praying for Senator Dan Knodl (Germantown), Lieutenant Governor Sara Rodriguez, and Representative Jenna Jacobson (Oregon).

P.P.S. We hosted a "Lunch with a Purpose" webinar in 2021 with Ken Ham from Answers in Genesis on the importance of teaching Genesis 1-11 to young people. Our President, Julaine Appling, at the time stated, "Families led by married men and women have incredible opportunities to build into the next generation biblical principles that will enable them to navigate successfully whatever the culture throws at them."
