School's Back in Session--and So Are We!

Dear Pastor,

Wisconsin is back to school! Many churches around Wisconsin launch back-to-school initiatives during the month of September. The Church Ambassador Network initiative of Wisconsin Family Council is excited to announce our Back to the Capitol initiative.

Just as our schools had a summer break, the legislature had a summer break. Today marks the first day the legislature is back in session and our first day bringing pastors back to the Capitol in several months.

As of today, we have had 200 meetings with governing authorities this year! We pray that you and more pastors will start a redemptive relationship with your governing authorities. Because of our relational presence throughout these 200 meetings, you can walk into our meetings with a relational head start.

We encourage you to pray for the following this Fall:

- An opportunity to share the gospel with the Governor or Lieutenant Governor.
- For local church and para-church ministries to be the driving impact behind the Speaker's Task Force on Human Trafficking.
- That one elected official would come to Christ this year.

Thank you again for your faithful ministry. If you are interested in joining our Kingdom-building work at the Capitol, please reply to this email. We'd love to have you go "back to the Capitol" with us!

In Christ,

P.S. This week, we encourage you to join us by praying for Representatives Tony Kurtz (Wonewoc) and Patrick Snyder (Schofield) and Congressman Scott Fitzgerald (Clyman).

P.P.S. We would be honored to have your church support us by participating in Wisconsin Family Council (WFC) **Sunday, on October 29**. We are truly grateful for the support we receive from you and your church whether it be through finances, prayer, referrals, or volunteering. Your partnership in this ministry is truly difference-making as we together work to advance the Gospel in Wisconsin.
