That's Unique!

Dear Pastor,

The word *unique* simply means "one of a kind." *Unique* is a good word to describe Wisconsin Family Council. There is no other organization in our state with statewide impact advocating for the strengthening, preserving, and promoting of three of our four core, foundational principles: marriage, family, and religious liberty. (We are also 100% pro-life, but we have at least two single-issue organizations in our state dealing with the pro-life issue.)

In Matthew 6, Jesus teaches us to pray that God's will be done on earth like it is in heaven (v. 10). There is no getting around it—that is a big prayer. That prayer justifies and motivates our vision of a Wisconsin where God is honored, life is cherished, families thrive and religious freedom flourishes.

When all is said and done, the work of Wisconsin Family Council is about you, your family, your faith, and your religious freedom. We are a pro-church resource to inform pastors, churches, and individuals about what is happening in our state, so that believers are inspired to be involved as salt and light in their communities and in our state.

Paul exhorted the Galatians to do good to all as opportunity permitted (Gal. 6:10). As we promote God's good plan for marriage and family, that all human life is precious and to be cherished, and that religious freedom is a great good for everyone, we are blessing our neighbors with the light and truth of God's Word. We are doing good to them.

We invite you this month, (or sometime before the end of this year), to promote the work of WFC.

- You could **show a short video** that tells about our work and **pray for us**.
- You could **print and distribute a bulletin insert** (or request pre-printed copies) that tells about our work, or distribute it **digitally**, and **pray for us**.
- You could **print copies of our prayer reminder** and promote it as a reminder to **pray for us**.
- You could **utilize a Power Point slide** that we have developed with a QR code, and **pray for us**.
- If you have participated in our outreach to legislators at the Capitol, you could **share a testimony** about that and **pray for us**.

We are asking you to please **pray for us** this month and to include us in your regular prayer support. Anything you do will be greatly appreciated. Please feel free to drop us a note and let us know what resources you utilized and how we may continue to serve you.

If you appreciate the work we are doing in our state, we are also asking that you pray about the possibility of supporting us with a one time offering or even with regular support. **(If you already support us, please know that we appreciate it more than we can say! Thank you!)** At a minimum we are asking you to feature our work on one Sunday of the year. We are asking you to consider making October 29, 2023, Wisconsin Family Council Sunday. But if that date doesn't work, please feel free, of course, to use a different date!

God bless you for all that you are doing to preserve, strengthen and promote, marriage, family, sanctity of life and religious liberty in your church and community as you faithfully preach and teach the Gospel of Jesus Christ!

In Christ,
