WFC Sunday

Dear Pastor,

WFC Sunday is this Sunday, October 29! We are thankful for churches around Wisconsin who are sharing our ministry with their congregations this coming Sunday. We know that this Sunday may not work for your church. If that's the situation you have, please prayerfully consider finding a service in the coming weeks to highlight our ministry.

If you plan on participating in WFC Sunday, you can find our resources [HERE](#). Your church can support us through prayer, coming to the Capitol to share the gospel, sending a young person to our [LEAD WI camp](#), and/or financial support.

Last weekend, our President Julaine Appling and I had a tremendous time at Countryside Christian Church launching WFC Sunday. One of Pastor Abrahamson's sermon points for the congregation was that Christians are called to do the right thing because it is the right thing. We were humbled when Pastor Matt encouraged his congregation to support Wisconsin Family Council because our ministry does the right thing because it is the right thing.

Time and time again, we are reminded that we are the only statewide organization in Wisconsin that impacts the public square with a biblical worldview. Fundamentally we are a pro-church ministry. It is humbling for us to know that we are the voice of local churches like yours when we speak in the public arena on the issues of marriage, family, life, and religious liberty.

We are thankful for your church. We look forward to partnering with you in the days and years to come.
In Christ,
