Thank You!

My church (Daniel's) just celebrated Sanctity of Human Life Sunday. It was an excellent opportunity for my pastor to inform our congregation on what Scripture says about the value of human life. Our church supported our local pregnancy help center by distributing baby bottles.

We wanted to say thank you if your church took time to celebrate Sanctity of Human Life this past Sunday or if your church will do so this Sunday. Last week, a bill was introduced in the state legislature that would create an advisory referendum to extend abortion rights to 14 weeks in Wisconsin. Yesterday, this bill was presented in a hearing and is expected to be voted on later this week by the State Assembly. Those in our congregations are being discipled by the culture on the life issue and will continue to do so through this piece of legislation as it hits the news. Thankfully, through your preaching and teaching you can disciple your congregation biblically on this and other issues.

Baby bottles from Daniel's church's Sanctity of Human Life Sunday service.

If your church missed Sanctity of Human Life Sunday last week, there's still time to recognize this event this Sunday! You can find suggestions for your church to utilize from our email last week, which you can view [HERE](#).

Thank you for all that you are doing to equip your church with a biblical worldview!

In Christ,

Dan Degner

P.S. Please pray for me. Today. At 11 a.m. I will be leading the State Senate in prayer. Pray that God would use this opportunity to advance the gospel, to lead those that do not know God to faith in Christ and to fellowship with a local church.

P.P.S. This week, we encourage you to join us in prayer for Representative Nik Rettinger (Mukwonago) and Representative Daniel Riemer (Milwaukee).

P.P.P.S We'd love your help in reaching our goal of having 40 pastors join us for ministry at the Capitol this year. You can sign up to join us [HERE](#).
