Election Day

Easter Follow-up

We hope your church had a blessed week, culminating in a wonderful Resurrection Sunday! Our prayer was that God would work through your church this last week to advance the gospel in your community. We would love to praise God with you if you have a praise report to share with our team.

Spring Non-Partisan Election

Today is Election Day in Wisconsin! Every election day, I receive calls from pastors at the polls asking me about their ballot. I am at the Iowa Capitol today ministering to elected officials and won't be able to take such calls; however, you can go to myvote.wi.gov to view your ballot. You have until 8 p.m. to go to your local polling location to vote.

Spring Non-Partisan Elections have many different issues like local races for mayor, city council, town board, school board, local referendums, judicial sear county board. This election there are two referendum questions on every ballot in the State of Wisconsin.

Summary of Question 1: A "yes" vote would ban government-run elections from receiving and using private funds. This wouldn't impact candidate spending or party groups but wouldn't allow for a political group to fund election efforts run by a municipal clerk's office. A "no" vote would maintain the status quo that would allow for a political group to help fund election efforts within a municipal clerk's office.

Summary of Question 2: A "yes" vote would ban political organizations or agents from conducting the work of administering elections in Wisconsin. This would make it so that only election officials designated by Wisconsin law can administer our elections. A "no" vote would maintain the status quo that would allow for a political group or agent to aid in the administration of Wisconsin elections.

You can find information on school board candidates in the following school districts at [IVoterGuide](#): Chippewa Falls, Eau Claire, Kenosha, Neenah, Superior, Watertown, Wausau, and West Bend.

If you still have questions about candidates or issues on your ballot, you can call our office at (888) 378-7395. In Christ,

P.S. We're excited to announce that we are hosting pastor coffee events in 12 communities this Spring. We had a great time connecting with pastors in Fond du Lac recently. If you are in the Watertown area, you can join us at Connection Café on **Tuesday, April 9** from 10-11:30 a.m. We hope you can stop by and enjoy good fellowship and a coffee or tea on us!
