It's Happening Now!

As you read this, LEAD camp is taking place on the campus of Maranatha Baptist University in Watertown. 130 young people from all over Wisconsin, a few from Michigan, and even one from Tennessee are with us for the week.

Our LEAD Camp Director, Sierra Cochran, has worked hard to put together an outstanding schedule, with dynamic speakers, and challenging activities that will teach leadership and a biblical worldview. She and our staff have been working diligently to put the final touches on all the planning, organizing, and assembling the resources to make this camp effective and memorable for the young people.

Please continue to pray with us that the Lord will work in a special way in the hearts and minds of the teens who are with us.

Please pray:

- That any camper who does not truly know and trust Jesus for salvation will do so this week.
- That every camper will grow in their faith and trust in the truth of God's Word and their understanding of a biblical worldview.
- That LEAD Wisconsin would help equip each camper to serve God wherever He calls them to serve as adults.
- For the health and safety of all of our campers and crew.

For your prayers and for your support we are grateful beyond words.

And now, back to camp!

P.S. We were grieved from the news this last weekend. Please join us in praying for our nation after [Saturday's assassination attempt](#) on President Trump. In times like this we can come together to pray for the soul of our nation.

P.S.S **Wisconsin Family Council Sunday is on September 22, 2024.** At that time, we hope you will promote the ministry of Wisconsin Family Council to your church. This would be a great opportunity to promote the ministry of [LEAD Wisconsin](#) for 2025. We'll keep you informed, but for now, if you plan to be part of this special Sunday, maybe you could note this date on your church calendar? Thank you!
