LEAD WI Recap

Campers enjoying Slip N Slide Kickball

In early adolescence, my parents informed me that they put money into a financial services account for my future. At first, I was confused. I didn't understand why they wouldn't just give me the money now. They informed me the money was an investment to be used when I got older.

This past week, Wisconsin Family Council and many adults invested in 131 teens from all across Wisconsin, a few from Michigan, and even one from Tennessee at LEAD WI camp. Campers went through various tracks (assembly, senate, media, and business) learning critical thinking skills while also learning a biblical worldview. Worldview sessions included topics such as a Christian response to the woke culture, understanding the secular philosophy of the day, abortion, and biblical marriage. Teens also heard the gospel, a powerful Christian family's testimony, and an interactive worldview Q&A panel with our speakers. We won't know if that investment will be seen in the near future or down the road. However, we know the Holy Spirit worked last week to convict teens of their sin and need for a Savior.

God and our speakers equipped campers with biblical worldview topics to be more courageous for truth and the gospel in their culture and community. Time will tell how the Lord will use this past week to plant seeds in them for the future. One thing is for sure, God's Word will not return void (Isaiah 55:11). We are called to plant seeds (invest), but the Lord will accomplish what He purposed. Thank you for your prayers and support as we look to invest in the next generation of disciples as we strengthen, preserve, and promote God's plan for marriage, family, sanctity of life, and religious liberty.

P.S. Wisconsin Family Council Sunday is on September 22, 2024. At that time, we invite you to highlight the ministry of Wisconsin Family Council to your church. Let us know if you need any promotional materials. This would be a great opportunity to promote the ministry of LEAD Wisconsin, which is happening July 13-18, 2025. Thank you!
