A Matter for Prayer

When you hear from us next week at this time, we will be in the middle of our LEAD Wisconsin camp. The mission of LEAD Wisconsin is “equipping teens to become effective Godly leaders who engage the culture from a biblical perspective.”

There has never been a greater need to help our young people understand their faith and how it truly does have the answers to the issues of the day. LEAD Wisconsin is not THE answer, but it might just play a key role in helping your teen shape a biblical view of the world in which they live. Church and family are crucially important as well. Our goal is to come alongside the family and the church and provide a life-shaping, life-changing experience.

Over the last few years of camp, we have seen God move in tremendous ways! Here are just a couple of stories of praise. In 2021, we had two young men come to faith in Christ! Earlier this year, we had a former camper inform us that she is advancing God’s kingdom while working in a local government office. She credits this opportunity to LEAD Wisconsin. Our prayer is that God would work in powerful ways this year at camp.

Here is our request: We know that the forces of darkness hate what is going to happen at LEAD WI—so would you join us in praying for the campers next week? Pray that any who do not have a saving faith will trust Jesus during the week. Pray that all of the campers will be helped to understand the truth of the gospel as it relates to the issues of the day. Pray that they will grow in their faith, in their trust in the Lord, and that they will commit or re-commit themselves to serving the Lord with their lives. Pray too for their health and safety during the week. The most important thing you can do for us next week is to pray. Prayer is so important that we have a couple who has volunteered to spend the week with us primarily to pray throughout the day and the evening for the young people.

Thank you in advance for praying for us and for encouraging your church family to do the same.
In Christ,

P.S: When you support the work of Wisconsin Family Council, you support the ministry of LEAD Wisconsin. This is another reason that we invite you to celebrate Wisconsin Family Council Sunday on September 22. This is an opportunity to highlight the work we are doing to strengthen, preserve, and promote God’s plan for marriage, family, sanctity of life, and religious liberty in Wisconsin. We will have materials available for WFC Sunday soon, and you can request someone from our staff to come share the ministry and vision of WFC in person with your church as well.
