Wisconsin Family Council Sunday

We do not view Wisconsin Family Council as merely a para-church organization. We view ourselves as a pro-church organization. We believe in the local church. Our staff members belong to and serve in their local church. Our mission is strengthening, preserving and promoting marriage, family, sanctity of life and religious liberty. These issues are both biblical and foundational relative to local church ministry.

Our focus has always been informing churches and individual citizens about the issues of the day and inspiring them to be involved in bringing about our vision of a Wisconsin where God is honored, life is cherished, families thrive, and religious freedom flourishes. We know that is a huge vision, but we believe it is consistent with Jesus' exhortation to pray for God's will to be done on earth as it is in heaven (Mat. 6:10).

We are inviting you to recognize the work of WFC in your church on September 22. To that end, we have assembled several resources to make it easy for you to do. They are available on our website [HERE](#). There is a video and prayer card that can be used as well as a list of "talking points." We aren't asking that you spend a lot of time sharing WFC. We are asking that you would encourage your folks to pray for our work. And yes, if possible, we would be grateful if you were able to take a special offering for WFC or encourage your folks to make a donation online at wifamilycouncil.org. Anything you do will be deeply appreciated.

If it doesn't fit for you to do this on the 22nd, then by all means, feel free to use a day that works for you!

If you would like to have one of us share the work of WFC in person in your church, please give us a call or respond to this email. We also welcome those opportunities.

P.S: If you were not able to join us for the Lunch With A Purpose webinar with Dr. Albert Mohler, you can access it [HERE](#). The topic was Christians and Politics. This was an outstanding webinar with one of the leading evangelical thinkers and authors in our country.

P.P.S: Our non-partisan, biblically-based election resources have arrived! You can sign up for our [Choose Well 2024 Toolkit HERE](#). Please let us know if you would like free bulletin inserts mailed to your church.
